# STUDENT NEWSLETTER

March 2025

Hello education students! My name is Mia Zellars and I am the Student Engagement and Partnerships Coordinator for the College of Education! I engage students by providing additional supports such as connecting students to University and community resources, mentoring, and providing updates and information about the College of Education. I look forward to seeing you all around the COE and I am here if you need anything!

Have ideas for engagement activities? Email me at [Mia.Zellars@mtsu.edu](mailto:Mia.Zellars@mtsu.edu)

## Scholars Week

## SCHOLARS WEEK 2025

Scholars Week is a week-long tradition during which MTSU's academic colleges celebrate scholarship, research, and creative activity through a variety of events and activities hosted by academic departments and colleges.

Congratulations to those who were accepted to present during the College of Education's Scholars Week day happening on March 18, 2025!

For the remaining Spring Semester, I will be sending out monthly newsletters to keep College of Education (COE) students informed and up to date about events happening within the college. I will be partnering with members of the COE and the greater MTSU community to provide updates to resources and events throughout the campus.

## Spring into Education

During the month of March, the COE will be celebrating spring with our "Spring into Education" campaign. We invite you to join us in spreading positive affirmations and encouragement by filling out a blank flower at a station located on every floor of the COE. Join us in celebrating spring and help us spread positivity throughout the COE!

## Be on the Lookout

Be sure to look out for upcoming events in the College of Education and around campus by checking out flyers and advertisements posted around the building and updates and announcements on our social media page @mtsu\_education.

# Student Hub Space

Need a place to study, unwind, or get work done between classes?  
**Stop by the Student Hub in Room 110 of the College of Education!**  
This student-friendly space is designed to help you stay productive and comfortable before, in between, and after classes.

- Grab a coffee from the Keurig
- Heat up a meal in the microwave
- Print assignments using the black-and-white printer
- Charge your devices at the charger hubs

Need academic support? Drop-in tutoring for math and writing is available to help you stay on top of your coursework.

**Make the Student Hub in Room 110 your go-to spot for studying, relaxing, and getting things done!**
